

Here's a composite of the following applications we'll be making in this course:

If you don't know what some of these are or mean don't worry as I'll be explaining that later on in this course. Right now I just want to show you what applications we'll be making.

Keylogger

To Do List

Border-Radius Generator

Alphabetizer and Randomizer

Password Generator

Notepad

Calculator

Digital Clock and Date

Stopwatch

Alarm Clock
